Important

1. Use Proper/Title Case when entering online; do not use all CAPS or all lower case.
2. If at any time you decide to exit the program before completing the on-line entry process, you must click on the number four "Review" button. Once you are brought to the review screen click the "Save this cart for later" button or ALL of your entry information will be lost.
3. Please read all the information on the pages throughout the entry process. This information will supplement the on-screen instructions.
4. All fields that are required are denoted by an asterisk. *

The completion and submission of the W-9 is mandatory for all livestock exhibitors. Unless you complete the online IRS Form W-9 you will not be able to make your first entry. We are gathering this information so that the IRS reporting requirements for premiums and auction earnings can be met. Additionally, this information will allow us to aggregate your premium and auction earnings and report this number to you in early January so you can use it when preparing your tax return.
 - a. If you are creating an exhibitor account that identifies joint individual owners (i.e. Jill and John Smith), please decide in advance whose information and social security number will be included on the IRS Form W-9.
 - b. If the exhibitor account is being set up in a farm, business, school or club name, you will need to submit your farm, business, school or club E.I.N. (employer identification number) which normally begins with 51-.
 - c. Please make sure that the name and social security number/employer identification number (E.I.N.) supplied on the W-9 matches the exhibitor registered on the exhibitor account.

For a copy of these rules and regulations, please visit our website. As a Market Animal Exhibitor, I also agree to attend either in person or online a Youth for the Quality Care of Animals (YQCA) training certification course, unless I have an existing Youth Pork Quality Assurance (YPQA) certification that is still valid through July 2020. I understand The YQCA training certification course can be done either in person or online, but must be completed prior to the start of the 2020 Delaware State Fair (July 23, 2020).
