Dairy Department Rules & Regulations:

1. Delaware entries have priority, but cattle from other states will be accepted as stall space permits. All on-line entries are date and time stamped. This will be used in the decision for non-Delaware entries; earliest date/time will prevail. Delaware entries will have priority and out-of-state cattle will be accepted thereafter as barn space permits.
2. All animals must be registered with their respective breed associations. All registration papers will be checked for verification of age and identification by the Superintendent or his agent prior to show day.
3. Exhibitors having leased animals shall have a bona-fide lease agreement. A Delaware Youth Dairy Leasing Agreement must be obtained from the 4-H office. The required information shall be entered on the lease form with proper signatures from both the Junior Exhibitor and their parents/guardians and the owner of the animal. This is the only leasing form that will be accepted. No other versions of the leasing agreement will be accepted. Lease agreements must be signed and submitted to the 4-H office by May 1 of the current year. Submitted leases will be forwarded to the Delaware State Fair entry department.
4. All exhibitors of dairy cows that need to be milked while on exhibit on the Fairgrounds are required to use the Fair's milking parlor for that purpose. Due to restrictions by some Dairy Cooperatives The Fair or Exhibitors will not be paid for milk produced during the Fair.
5. All animals used in group classes must be entered and shown in individual classes, but no exhibitor may collect more than 2 monies in any class. Family entries operating as single herd units in testing and similar programs may be considered as eligible exhibitors in group classes. All senior yearlings in milk shall show as 2 year olds and be eligible for senior group classes. Substitutions will be allowed within the same breed. No added entries will be allowed. For purposes of this rule, Exhibitors to be counted shall include the adult owners of a farm or business entity in whose farm or business name an animal may be registered. For more information refer to Rule 3, General Animal Rules, Section D, Ownership.
6. The Grand Champion of each breed will return to compete for the Supreme Champion of the Open Dairy Show. Cows shall NOT be milked out. Both Judges will confer to select the Supreme Champion.
7. The Junior Champion of each breed will return to compete for Supreme Champion Heifer of the Open Dairy Show. Both Judges will confer to select the Supreme Champion Heifer.
8. Dairy exhibitors are expected to wear white pants and shirt or white pants with a colored shirt and safe shoes. No tank tops will be permitted.
9. There will NOT be a specific class for best udder. The judge will select the best udder in each milking class. That entry will receive a \$30 premium above their normal premium placing. If the judge feels that no animal is worthy of the best udder, then no award will be given.
10. Show harnesses will be used during all Dairy Cattle Shows. The Delaware State Fair will supply the exhibitor number to be inserted into each harness. This number shall be worn whenever the animal is in the show ring. Showmen must have the appropriate exhibitor back tag number to be admitted into the showing to insure accurate record keeping for payment of premiums.
