General Rules & Regulations:

1. The Delaware State Fair is not a member of any horse affiliated group. Therefore, you will notice that our Show is run somewhat differently and some of our rules may differ from those followed in some sanctioned horse shows. Our purpose is to have animals here on exhibit for the duration of the Fair since many of our patrons have never had the opportunity of seeing animals up close.
2. Entries and stall space will be taken on a first-come first-served basis until stalls are filled. Horses and ponies will be assigned to barns and stalls in the order in which entries are received. The stall waiting list will be posted on the [Fair's website](#) and updated periodically.

Horse & Pony Department Rules & Regulations:

1. **Stalls requests will close June 1st. If there is a waiting list, stalls will remain available for those on the list.**
2. Stall Assignments will be posted next to the Horse Dept. Office, located in the North end of the Sussex Barn. All animals allotted stalls must be shown in classes entered or future entries will not be accepted.
3. Youth (ages 5-21) may not exhibit a stallion in any class except ages 1 year and under in open classes only.
4. Tack rooms will be assigned to exhibitors according to the number of animals exhibited. Those persons desiring stalls next to each other need to indicate this in the comment section of the on-line entry process.
5. It is requested that all foals be shown in halter by a handler. All animals entered or associated with entered animals must be in show condition or will not be accepted. Animals are subject to inspection by an exhibit committee.
6. English and Western Pleasure horses and ponies may not be ridden in hackamore, martingales or tie-downs. The chin straps may be flat chains or flat leather at least 1/2 inch wide. No riding horses or ponies between 12:00 AM and 5:00 AM.
7. There will be absolutely no turning horses or ponies loose in the show ring at all. No horses or points in the grove or camping area at any time. No riding will be permitted around the Carnival or stable areas except before entering the show ring.
8. If in the opinion of the judge, an entry does not merit a premium, then no premium shall be paid. Further, he is empowered to limit the top award in any class to a second, third, or lower premium if in his opinion the quality of the class so merits.
9. Superintendent will make all final decisions regarding interpretation of the rules. Exhibitors violating the rules will have their premium monies withheld and/or future entries refused.

Registration Papers:

1. All exhibitors and participants must be Delaware residents; however active Delaware 4-H members are permitted to exhibit regardless of residency. Out-of-state horses and ponies **WILL NOT** be accepted for the 2023 Fair.
2. Paperwork for all registered Horses and Ponies will be checked between 9:00 AM and 2:00 PM on their respective arrival dates in order to be eligible to show.
3. Registered animals shown at the Fair must be accompanied with registration papers properly registered in the exhibitor's name from a recognized Breed Association for verification of age, identification and ownership. **Bill of sale, signed transfer, lease or affidavit from seller will not be accepted as evidence of registration.** A letter from the Secretary of the respective Breed Association stating identification of
